"10/10 would recommend. Just a good ol' fashioned pie in the cutest package."

- Lisa B.

"Perfect post game snack. It's the first place I hit up with my buddies right when leave the stadium."

- Bryan W.

Our Mission

Our company strives to provide a quick, quality, affordable sweet snack for individuals of all ages through conveniently placed vending machines and store front services in urban cities and university campuses.

*Tastes just
as sweet
as the
American
Dream!*

Our History

- ★ In 2022 3.14 Pies opened it's headquarters bakery and vending machine in Las Vegas, CA.
- ★ By 2024, our company added vending machines to three college campuses.
- ★ As of 2027, we now have seven storefront bakeries and fifteen vending machines on university campuses across the nation.

Services

3.14 pies bakes personal sized and standard sized pies sold at store-front services as well as vending machines. Pies are restocked daily to ensure quality taste and freshness. We also offer catering services.
